Dear President Kouchi and Speaker Saiki:

The Highways Division of the Department of Transportation (DOT) requests an amendment to Act 215, SLH 2018, to include rental motor vehicle surcharge lessees with valid Hawai'i driver's licenses. This amendment will address constitutional concerns regarding the Act and its treatment of non-resident drivers. Revision is also requested to include establishment of special fund, "Highway road capacity special fund" to receive these specific revenues and ensure that possible funding options are made available, including possible bonding of these funds.

Should you have any questions, please don't hesitate to contact Ed Sniffen, Deputy Director of Highways Division.

Your consideration of this request is appreciated.

With warmest regards,
